Exhibit Information

April 25th & 26th, approximately 125-150 surgical assistants will meet in “Big D”, Dallas Texas at the Embassy Suites by Hilton Grapevine DFW Airport North for the 6th Joint Conference of the Association of Surgical Assistants and the National Surgical Assistant Association. The attendees will come highly motivated to participate in the cutting-edge educational programs. They also look forward to the technical exhibits as a logical extension of their educational experience. Current thinking and innovative products and services go hand-in-hand to help surgical assistants provide the best support to the surgeon and care for their patients. ASA and NSAA sponsor this meeting to provide a continuing educational experience and promote advancements in the surgical assistant profession. The information presented through the programs and exhibits is not verified or endorsed by the ASA or NSAA. Exhibitors and their presenters are solely responsible for content.

Exhibit Space

Standard exhibitor space includes one (6') table and 2 chairs. Tables must be covered. Exhibit Space not claimed or occupied after 6:00 pm Friday, April 25th, for which no special arrangements have been made with the ASA or NSAA, may be reassigned without obligation to refund exhibit fees or to assign the exhibitor to another space. Exhibitors may not assign, sublet, or apportion to others the whole or any part of their exhibit space.

Exhibit Space Policies

These requirements are not intended to unduly restrict exhibit design or utility but are presented to create and maintain an open atmosphere at the exhibit expo. When designing exhibits, good judgment and consideration for neighboring exhibitors and attendees should be included.

- All exhibits must conform to and enhance the professional, educational, and instructional atmosphere of the conference.
- Exposed parts of any display must be finished so as not to be objectionable to other exhibitors, or to the ASA or NSAA.
- Exhibits must render a safe assembly during installation, dismantling, and exhibition periods.
- Signs will be permitted but must have their own support.
- Live or video demonstrations may not be objectionable to neighboring exhibitors, or to the ASA or NSAA.

Care of Exhibit Space

Exhibitors must, at their expense, maintain and keep booths and exhibits in clean and good order. All space occupied by an exhibit must be surrendered in the same condition as it was at the commencement of occupation. Exhibitors are responsible for the removal of excess debris, bulk quantities of printed material, and any items other than those that can be easily swept up. Exhibitors and their designated agents shall be responsible for the cost of removing any excess waste, as deemed by the Embassy Suites Grapevine DFW Airport North, the ASA and the NSAA, at the prevailing rate being charged to ASA and NSAA.

Storage of Crates and Boxes

Storage of crates, boxes, or any packing material behind the booth is prohibited by the Town of Grapevine Fire Code regulations and will be strictly enforced. Such items will be considered refused and disposed of accordingly. Exhibitors who require “access storage” for literature or products should plan for this service directly with the Embassy Suites Grapevine DFW Airport North.

Exhibitor Badge Policy

Badges will be held for pick up on-site at the conference registration desk. Exhibitors' badges are not to be issued to individuals who wish to gain admittance for the purpose of contacting other exhibitors. The official 2025 ASA/NSAA Conference Badge must be worn at all times while in the conference area. No other ribbons or stick-on novelty items are allowed to be affixed to these Exhibitor badges. Additional company badges are permitted.
